

Dear Friends and Families of Menlo Park Academy of Dance,

This year marks the 70th Anniversary of Menlo Park Academy of Dance (1947–2017). What an honor it is for us to carry on the tradition of excellence in dance education in our community!

We have experienced numerous changes and challenges during this school year and we thank you for your patience as we transition our Oak Grove classes into new studio space. Losing our beloved Oak Grove studios and searching for new space has been an intense and time consuming endeavor. We have entered into several serious negotiations which failed due to traffic projections or civic concerns. However, we are optimistic that the current negotiation will come to fruition and that in Fall 2017 we will have the two new additional and permanent studios for our dancers.

The School has continued to enjoy hard-earned successes. This year twice as many students were invited to perform at the Youth America Grand Prix finals in New York, and over one hundred have had the opportunity to perform with Menlowe Ballet in their Fall & Spring seasons and *It's A Wonderful Nutcracker*. Our students continue to earn places and scholarships at prestigious summer programs such as American Ballet Theatre, Bolshoi, Boston Ballet, Juilliard, Joffrey, Nederlands Dans Theatre, Pacific Northwest Ballet and Paris Opera Ballet School.

Whether your student attends class once a week or every day of the week, we remain committed to offering the highest standard and variety of classes as part of your child's growth and arts education. The Recitals are a time for us to celebrate the talent and accomplishments of our students, and to recognize the joyous journey that the world of dance takes us on. Enjoy the show!
